EXPERIENCE

THE WORLD BANK

Washington D.C.

St Consultant

August 2021 - August 2024

- Quarterly simulated poverty and inequality outcomes in Panama
- Analyzed impact of welfare programs (such as cash transfer programs) under different eligibility criteria for beneficiary population in Panama
- Prepared and contributed to developed 3 analytical pieces (including a Systematic Country Diagnosis update, and a Poverty Assessment leading the labor market background chapter) on poverty, inequality, gender gaps, and exclusion in Panama to facilitate dialog with the government.

THE INTER-AMERICAN DEVELOPMENT BANK

Washington D.C.

Economic Analyst

July 2018 - August 2021

- Participated on the production of education and social statistics for LAC countries from household surveys and administrative data and carried out analytical products to facilitate dialog with different governments of LAC countries
- Provided analytical and statistical support for creation of a new work agenda on Higher Education for the Bank in Latin America
- Designed data analytical tools such as one dashboard and several automated reports, and provided regular data analysis advice to the Social Sector Divisions of the Bank

DEPARTAMENTO ADMINISTRATIVO NACIONAL DE ESTADISTICA (NSO)

Bogota

Coordinator

February 2018 - June 2018

- Coordinated a team of 4 people in close collaboration with various departments of DANE to define and design methodology for 56 national indicators to monitor SDGs
- Conducted and coordinated regularly with external entities required work to respond to Post 2015 Agenda
- Represented Colombian NSO in 3 international meetings to define methodologies for several indicators of the SDG agenda

DEPARTAMENTO ADMINISTRATIVO NACIONAL DE ESTADISTICA (NSO)

Bogota

Economic Analyst

February 2015 - January 2018

- Performed monthly analysis of Colombian labor market and socio-demographic indicators for worldwide dissemination
- Built and processed monthly Household Surveys data sets to analyze Colombian labor market and socioeconomic indicators
- Trained enumerators quarterly to ensure quality and guide household survey collection

- Co-authored 7 national academic presentations and 3 international ones; published 3 articles, and developed 8 virtual learning objects
- Prepared and led weekly sessions of the Economic Studies Research Group, and advised undergraduate economics students on scientific initiation projects

PRODUCT-BASED CONSULTING EXPERIENCE

THE ORGANISATION FOR ECONOMIC CO-OPERATION AND DEVELOPMENT (OECD)

Data & Policy Consultant, June – September 2025

- Consolidated the first OECD social capital dataset at a territorial level (TL2 and TL3) for the OECD countries
- Provided statistical analysis and technical support for Chapter 3, “Geographic Inequalities in Access to Opportunities,” of the policy report To Have and Have Not: How to Bridge the Gap in Opportunities.

THE INTER-AMERICAN DEVELOPMENT BANK (IDB)

Data & Policy Consultant, June – November 2022

- Consolidated the first regional dataset on learning assessment characteristics for Latin America and the Caribbean (LAC)
- Drafted and delivered the policy report “The State of Education in Latin America and the Caribbean: Learning Assessments”, supporting evidence-based education policy discussions.
